Yo! Stop frontin'
Don't fuck with Sławomir Szczęśniak and Grzegorz Wasowski.
They are T- Rappers from Vistula River. They are rappers a
rebours. They are G's .They walk like G's, talk like G's
and even eat&sleep like G's. Rap to destroy fucked up
commercial hip-hop games. They rap about good
old medieval times, when O.G. knights were Free; freestylin' with
pride and originality. This is Old School. Medieval.
When kings were KINGS. Like Bolesław Chrobry.
Mohammed Ali. Rakim The Law&Krzywousty.Batory...
